SAFE. TESTED. FOOD GRADE.

FSC® CERTIFIED

Our wooden products are made from responsibly managed forests that provide environmental, social and economic benefits. FSC® certified products ensure forest conservation for future generations.

RESPONSIBLE FORESTRY.

ISO CERTIFIED

Our management systems are certified to international standards to ensure consistent quality, safety and environmental performance.

- ISO 9001 – Quality Management
- ISO 14001 – Environmental Management

QUALITY. ENVIRONMENT. EXCELLENCE.

BPI CERTIFIED COMPOSTABLE

Our compostable products are BPI certified, meaning they meet the highest standards for compostability in industrial facilities.

COMPOSTABLE. CERTIFIED. TRUSTED.

INDUSTRIALLY COMPOSTABLE

Our products are designed to break down in commercial composting facilities, leaving no toxic residue and returning nutrients to the earth.

RETURN TO NATURE.

FOOD CONTACT SAFE

All materials are tested for migration and are safe for contact with hot, cold, dry and moist foods.

SAFE FOOD. SAFE CHOICE.

OUR PROMISE

We are committed to offering products that are not only high in quality and performance but also environmentally responsible.

Good for food.
Good for people.
Good for the planet.

REDUCE WASTE

Minimize landfill impact with sustainable solutions.

CIRCULAR ECONOMY

Supporting a circular lifestyle through renewable and recyclable materials.

LOW CARBON FOOTPRINT

Sourcing and production processes designed to reduce greenhouse gas emissions.

SOCIAL RESPONSIBILITY

Ethical sourcing, fair practices and contributing to a better community.

Look for these marks on our packaging to make a difference with every purchase.
